

REMARKS

The present application is a Rule 53(b) division of parent application Serial No. 10/349,885 and has been filed to pursue non-elected claims in the parent application.

In the parent application, an election of species was required among the species of invention shown in Figs. 1, 3, 4, 5, 6, 7, 8 and 9, and applicant provisionally elected the species of Fig. 6 and identified claims 6, 8 and 10 as being readable on the elected species. Claim 6 is generic to the species of Figs. 6-9.

In accordance with this amendment, claims 6-10 have been canceled thereby leaving claims 1-5 for examination. Claims 1, 2, 3 and 5 are generic to the species of Figs. 1, 3, 4 and 5.

In view of the foregoing, early and favorable action are respectfully requested.

Respectfully submitted,

ADAMS & WILKS
Attorneys for Applicant
